TEACHING EXPERIENCE

Physical Education / Health Teacher (Grades PreK-2), Andover Public Schools, Andover, MA (August 2011 - Current) - 3 Years

- Physical Education programs focused on body control skills, object control skills, locomotion, fitness education and cooperative activities as well as assessment of those areas.
- Created a positive behavior recognition system called the “STAR” program which focused on promoting positive behaviors as well as the prevention of bullying.
- Health programs focused on human body, disease prevention, safety, and nutrition.
- Incorporated technology into the P.E. setting by way of iPads, iPods, digital cameras, You Tube videos, and several software programs such as “Garageband”, “Minecraft 5”, “iMovie”, and “Pinnacle Studio”.
- Coordinated an after school physical activity program which also raised money to purchase Physical Education equipment.
- Wrote two grants that secured funding for Wii and Xbox movement programs as well as Sport Stacking equipment.
- Volunteered to be trained in CPI (Crisis Prevention).
- Created interactive all school assemblies on topics such as bullying, bucket fillers, and student showcases.

Physical Education Teacher (Grades 7 & 8), Kingswood Middle School, Wolfeboro, NH (August 2009-Current) – 2 Years

- Physical Education programs focused on student wellness through invasion sports, fielding sports, net/volley sports, target sports, individual sports, cooperative activities, & fitness education.
- Created a Physical Education standards based report card that was linked to state and national standards.
- Planned and supervised an annual “after NECAP assembly” which brought together the school after a week of state testing that included movement challenges and fitness activities.
- Secured funds through the school’s PTO to purchase items that incorporated technology into the Physical Education setting.
- Volunteered to be the yearbook advisor for the school which included taking digital pictures and generating the yearbook by way of a computerized layout program.
- Supervised intramural programs including climbing wall, indoor games, and café sports.

Physical Education Teacher (Grades K-8), Paul School, Sanbornville, NH (August 2003 – June 2009) - 6 Years

- Physical Education programs focused on student wellness through movement experiences, sports based units, cooperative activities, rhythms & dance, and fitness education.
- Implemented the school’s “Positive Behavior Intervention Strategies” program in Physical Education classes that emphasized positive behaviors and recognition rewards such as extra physical activity time.
- Wrote 2 grants which were used to purchase pedometers and circus equipment.
- Coordinated the school’s after school program which included running physical activity programs as well as recruiting and supervising program leaders.
- Wellness committee leader involved in making decisions about school wide nutrition and physical activity requirements.
- Worked as a summer math camp program teacher emphasizing math through movement.

TEACHING EXPERIENCE CONTINUED

Physical Education Teacher (Grades K-5), Andover Public Schools, Andover, MA (August 2000 - June 2003) - 3 Years

- Physical Education programs focused on movement education, sports based units, fitness education and cooperative activities.
- Volunteered to be on a committee that developed a new Physical Education report card for K-5.
- Assisted in Andover's annual 4th & 5th grade cross country meet which included supervision of student participants as well as starting and timing events.
- Chaperoned 5th grade overnight outdoor education field trip.
- Advocated for the P.E. program by presenting at a PTO meeting which included demonstrating activities and skills taught in class.
- Volunteered to organize and coach several adults to play against the Harlem Rockets basketball team which served as a fundraiser for the school.

Physical Education / Health Teacher (Grades K-5), Horace Mann School, Salem, MA (August 1999 - June 2000) - 1 Year

- Created the school's first Health Education program which included scheduling classes.

Physical Education / Health Teacher (Grades K-5), Memorial Drive School, Farmington, NH (August 1997 - June 1999) - 2 Years

- Developed the Health program which included units in nutrition, safety, disease prevention, and the human body.
